OPERATION OUR TOWN FAITH-BASED COMMUNITIES ROUNDTABLE

Mission

From a faith perspective, respond to and contribute to the work of the Operation Our Town Partnerships. Promote, facilitate, and encourage faith-based community (FBC) partnerships in using God's gracious gifts to bring about positive change, hope, and spiritual health in the community.

Objectives

1. The establishment of 3-4 faith-based community roundtables that meet regularly throughout Blair County.
2. Invest in healthy and hopeful relationships that help people make positive choices.
3. Become a resource to those in recovery through education, employment, mentoring, advocacy, and housing available to all people in recovery.
4. Communicate and make aware the availability of resources to the faith-based communities.
5. Educate religious leaders on alcohol and other drug addictions.
6. Encourage collaboration and increase the number of the faith-based, neighborhood children and youth outreach programs in the roundtable areas.

The Faith-Based Communities Roundtable meets monthly at various locations, usually on Thursdays at 1:30pm. For more information, or to attend the next meeting, please contact OOT via e-mail: info@OperationOurTown.org or phone 814-296-8730.
